

ROUND OUTDOOR BOLLARD

BLC-R series

DESIGN - BULB ROUND OUTDOOR BOLLARD LIGHT WITH DECORATIVE RING has a modern design with effective illumination. This E26 base fixture is made from die-cast aluminum and a tempered glass cover.

DECORATIVE TRANSPARENT RINGS - give the fixtures fresh appearance and provide great side-light effect.

BULBS - The fixture includes a standard E26 medium base. We recommend to use LED A19 bulb.

APPLICATION - The fixture is rated for Wet Locations, making it perfect for outdoor landscaping applications such as walkways, courtyards, and backyards.

ADVANTAGES - ASD provides a 5-year limited warranty along with ETL certification to guarantee top quality products and safety!

INSTALLATION GUIDE

Please read all the instructions below before installation!

IMPORTANT SAFETY INFORMATION

Please read all the instructions below before installation.

- Make sure that the supply voltage corresponds to the rated product voltage.
- The product must be installed by a qualified electrician in accordance with the National Electrical Code and corresponding local codes.
- If the product is damaged, do not use it.

⚠ WARNING

RISK OF PERSONAL INJURY – READ and follow all WARNINGS and installation instructions. Keep or give to the owner for future reference.

Risk of cuts: Wear gloves to prevent cuts or abrasions when removing from carton, handling, installing, and maintaining this product.

Risk of electric shock: This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

Risk of Fire: Minimum 194°F supply conductors. Consult a qualified electrician to ensure correct branch circuit conductor.

ASD® assumes no responsibility for claims arising out of improper or careless installation or handling of this product.

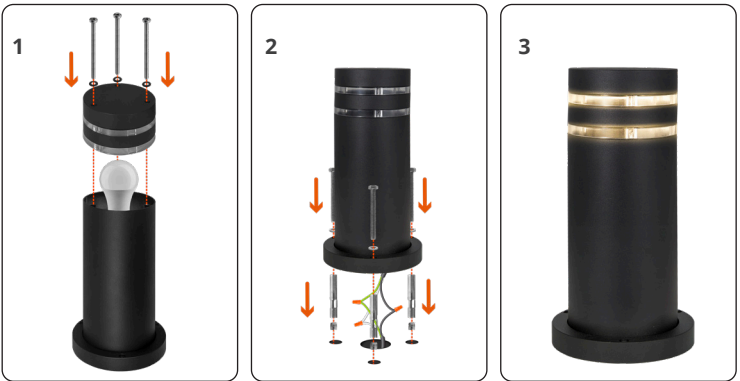

INSTALLATION STEPS

1. Remove the lid, install the bulbs (A19/60W max) and close the lid.

Put a waterproof gasket on each mounting screw.

2. Drill appropriate holes for the anchors on the mounting surface: 3 for round fixture. Connect the wires: Black to Black, White to White, Green to Green. Secure the connection with wire nuts.

3. Attach the fixture body using anchor screws.
